

CURRICULUM VITAE

Ibrahim Abdullahi R.

Mechanical Engineering

Faculty of Engineering

iar..mec@buk.edu.ng

Education

Year of Award	Degree Type	Institution
2010	Master of Engineering (Industrial Metallurgy)	University of Benin
2004	Bachelor of Engineering (Mechanical)	Bayero University, Kano

Area of Research Interest

Finite Element Methods, Automotive structure design and material selection, Crash analysis, Injury biomechanics, Crash dummy design and development, Refractories, corrosion management.
